RI Democratic Party Statement

Providence ó Rhode Island Democratic Party Chairman Ed Pacheco issued the following statement regarding Brendan Doherty's candidacy for US Congress:

“While Brendan Doherty and John Loughlin are going to fight it out to see who can pander more to the right wing of the Republican Party, Congressman Cicilline is busy doing the job he was elected to do on behalf of Rhode Islanders in the First Congressional District.

“The Congressman has been a strong voice for Rhode Island, fighting to protect seniors' benefits and create good paying manufacturing jobs. Both Doherty and Loughlin would be nothing more than another “yes” vote for a Republican agenda to protect special interests at the expense of working families and seniors.”
